At Amtac Blades since 2022, I design logos and branded visual content, create product photography and manage WordPress website updates. As an intern at Shilohcode, I collaborated on web and branding projects and kept WordPress sites updated and organized. I hold an Associate Degree in Graphic and Web Design with honors from North Idaho College. I use Adobe Illustrator and Photoshop. I'm looking for my next graphic design role.

Skills

- Graphic and Web Design
- Illustration
- Adobe Illustrator
- Adobe Photoshop
- WordPress
